

Junior Season last round / Presentation Day(s)

As Juniors have their final round this week attention will shift to finals and then season conclusion. We wish all teams luck in the final round, our juniors have performed credibly across the grades where we were in the top Shield competition in all mixed and several girls competitions. With luck we can feature in finals from U12S, U14S, U14DNE, U14GP, & U18. Our U10's can mathematically still finish top also.

Last season the U18 presentation evening at Club house was very successful. The plan this year is to extend this format across the Juniors: U14 / 16 's with a joint evening and a separate presentation morning for U10 / 12. Watch [website](#) for more details.

Trivia & Auction Night wrap

Many thanks to all who donated towards our Auction night. Thanks to quiz master Kin and particularly to Larissa and team who organized the Silent and Live auction. The club raised over \$7000. This has allowed us to make the final payment on our new turf this week, just. No loans or debt (at the moment). We now need to work hard toward other items like electronic scoreboards and second pitches.
