

The [Uniform](#) Shop will be open this Sunday morning the 23rd of April from 8-10am at Yarra. It is important to note that there will only be access from the smaller (tennis club) carpark due to on-going ground works. So come along and purchase some new yellow & blue uniform.

The Official Season (soft) opening club function for our Senior Teams is happening this Friday 21st of April, and will commence from 7pm onwards. It is a great opportunity to introduce new players, mingle with people off field, and oversee the current construction of our new pitch. The completion date for the new pitch remains on-schedule for the 28th of May 2017. Until then no home games so we will run several functions such as this to provide opportunity for club members to gather. We expect to have an exciting and successful year on and off the field, across all our teams so come along and join the festivities. We are planning grand openings also once the new turf is ready.

Registrations are now due. Please contact the Greg (treasurer@yarravalleyhockey.com.au) if you need an instalment plan. Non financial players from 2016 will not be permitted to play in 2017. There are a few. Given the enormous outlay for our new turf we do urge all players to fully register with the club by Round 3.

We thank our [sponsors](#) for their ongoing support, please do support them also.

Looking forward to seeing at the club very soon! Apologies for the ground disruption and great dislocation challenges this has presented for the start of the 2017 season. We will pull through this difficult period and be in a great position for the majority of the 2017 season. Go Yabbies!
