

The 2017 season rapidly approaches. Excitement builds.

Registrations are open and a reminder there are two registrations for players, one with HV and another with YVHC. So two categories need to be completed at the link: <https://memberdesq.onesporttechnology.com/171/reg/subs> .

The club registration fee includes a ground levee of \$50/player (family) to help toward the turf replacement project. The total cost of this project is \$800K which YVHC are committed to contribute \$100K. Whilst still a lot of \$ it is through the fantastic support of Banyule Council and the Victorian Government that our contribution is limited to 12.5%. Still a lot of work to be done to raise the \$ we need in 2017 but we remain on track so long as we all support club events and functions, and pay the fees due. HV also offer supporter membership which provides “free” access to the SNHC on presentation of your HV card.

Our YVHC Information Day is this Sunday February 19, 0930 - 1400 at the clubhouse. Registration can of course be done at any time, but we will be able to provide assistance on this day, and any queries or additional information can be discussed. Uniform will also be available for try on / purchase / order. Mouthguard fitting will also be available through the generous support of club member & dental technician Craig Whitehead. Cost is \$125 which is health fund rebateable – fantastic value for this type of guard.

Some key dates are: Sunday 19 Feb, Open/Rego day (0930 - 1400); Saturday's from 25 Feb, H2H @ tbc (11-12.15); Senior training Tuesday & Thursday, all welcome; K Bannan Day, Sat March 5 (11.30 - 17.30), games in all categories with LaTrobe; Vic League 1 season starts April 1; Juniors April 28/29.

We thank our sponsors for their ongoing support, please do support them also.

Looking forward to seeing at the club very soon!
