

Pitch Update

Banyule Council have awarded a Design & Construct tender to Tiger Turf for the renewal of our synthetic surface. I expect works to commence 20 February and conclude at the end of May. The PL season starts on 1 April, Masters 10 April, other Seniors 22 April, and Juniors on 28 April. This will mean some disruption for our early season training and games. Of course we would have liked to start this resurfacing late last year, but as most of the funds (BCC \$600K; YVHC \$100K; Vic Gov \$100K) come from BCC we have to respect their processes for specifying the works and tendering for contractors. I can assure all that BCC is endeavoring to have works completed as fast as possible. In our return to Premier League we have the daunting prospect of games at away venues until Rd 9, but will have mostly return homes games in the second half of the season on our new home surface. It is anticipated that a similar situation will exist for all other grades. We are endeavoring to secure other venues in close proximity for training and home games as need be.

Club Registration Day will be held on Sunday February 19 from 10 am – 2 pm at the club house. It may be the last day we have access to the old surface. [Registrations are now open](#) at the YVHC website.
