

## A Highlight from YVHC Season 2018

Well done WPL on their first win in 2018 V Altona after two draws. Backing up after the WPLR who achieved same outcome. Great efforts all . BTW [the song](#) is on website!

## Club Fees

There are still over 100 members who have not paid their YVHC fees. Players will not be eligible for selection after June 30 unless they have paid their dues. Speak with Greg the [Treasurer](#) if you want to split your payments or come up with a different arrangement to work off your fees. Whilst we have paid off the new turf we have many other financial demands including positioning for a second field so please get your fees paid.

## Coterie

The first Yarra Coterie lunch is Saturday May 26, from 12 noon. We will host the Mayor Cr. Mark Di Pasquale, Andrew Skillen CEO HV, Craig Langdon our local member and others. Coterie membership is a great way to support the club and if you join via an ASF donation it is tax free. Do [contact](#) Adrian Brown or David Findlay to join up asap. Numbers have been filling only slowly this year, so get behind this group or provide much needed funds to assist with key club projects such as electronic scoreboards, new turf etc. And it is a great opportunity to network across the club and local community.

## Dogs at Yarra games

There have been many comments re dogs at Yarra on game day. Dogs under control are welcome. However, please keep your dogs under control and on a leash whenever they are on the club room side of the ground.

## Code of Conduct - Spectators

We have had a great start to the year on field. Round 1 juniors is dusted. 6.5 wins from 12. Good results and great on field conduct. I would all spectators and supporters to also review the [Yarra code of conduct](#) as we it applies to us all. I urge all junior parents to make themselves aware. We urge you to support your team and the club but leave the umpires and other spectators out of the conversations.

## Volunteers

We still need volunteers for all sorts of jobs from Canteen helpers, Website updaters, match day judges, cleaning etc etc. Do contact me or your age coordinator or another [Yarra Board](#) member if you can help

See you @ The Dam soon!: Go Yabbies all

Craig Lovel

President, YVHC.
