

On Field Highlights: MPLR - Win v Brunswick

Our Premier League Reserves squad opened their 2018 account with a 2-0 victory over Brunswick. It has been a learning curve for the young Reserves squad but finally the hard work from Coach Matthew Spade and the players has paid off! 3 massive points versus Brunswick.

YVHC Coterie Group – join before first lunch this Saturday

The first Yarra Coterie lunch is this Saturday May 26, from 12noon. We will host the Mayor Cr. Mark Di Pasquale and Craig Langdon our local member. Our speaker is Jim Miller, who is Chairman of Infrastructure Victoria (for real – not Utopia).

The PL fixture is YVHC vs. Doncaster, with Women at 12.30 / 2pm, Men 3.30 & 5pm.

Coterie membership is a great way to support the club and if you join via an ASF donation it is tax free. Do [contact](#) Adrian Brown or David Findlay to join up ASAP. If you can only make the one lunch, then contact them and sort something out. It is a great opportunity to network across the club and local community. A second lunch is planned for Saturday August 11.

Sponsors

Please do support our sponsors as we must get behind them to ensure they continue their association with our club. Bending Bank is a great example of a Community Bank where 80% of their profits go back to local communities. YVHC continues to benefit from this. Do contact [Justin Brice](#) if you are interested in any of their products. I can certainly endorse from my first hand recent experience. YVHC has received generous sponsorship from Bendigo Bank toward our electronic scoreboard in 2018.

Club Strategy and Good Sports Club accreditation

A sound strategy is critical for any club's success. We are approaching the end of our 5 year strategic plan and have updated the current [strategic summary](#). This is a very important document and underlies all of the things we do around the hockey club. We use with all our stakeholders to gather support. Do take the time to read it and understand where we are heading and why. With the redevelopment of the SNHC and an Indoor facility going there our major priority becomes a second field @ Yarra. If you have some inputs speak to one of the YVHC General Committee members. Or even put your hand up to take on an activity!

YVHC has recently been accredited as a [Good Sports](#) Club Level 3, which is the top level. YVHC has established [clear policies](#) regarding the serving of alcohol as recommended by Good Sports, together with a draft of the YVHC Illicit Drugs policy for comment from members. Please take the time to familiarize yourself with these policies and feedback re the dugs policy to Georgia or myself.

See you @ The Dam!: Go Yabbies' all.

Craig Lovel , President, YVHC.
