Premier League status

In PL we had 3 wins and a draw for the final day of action last Saturday. Accolades to the Women PL team and all involved in finishing strongly 11th of 16 on the ladder to easily hold their position in PL. The Men PL finished 16th of 16, so do face relegation based on the 2018 HV LEC rules. We will be putting a submission to remain in PL and hope HV will view favourably. However the 2018 rule change makes it very difficult.
