

8 July 2020

Dear Yarra Valley HC community,

yesterday the Victorian Premier announced a return to stage 3 lockdown from midnight Wednesday 8 July for six weeks.

This has a direct impact on the Hockey Victoria 2020 Winter Season. The YVHC GC has suspended all hockey activities for the next 6 weeks. We will await further guidance from HV / Sports & Recreation Victoria and the Victorian State Government. HV will communicate further tomorrow and we will keep members updated on season scenario's.

This is going to be a tough period for many, but as a hockey community, we will pull through.

A special thanks goes out to the tireless work of our committee; volunteers and we thank all the players who have been training hard to get the season going again. Special acknowledgement for Tracey Cox who has worked tirelessly re Covid19 prevention.

We would like everyone to keep physically active, take care of their mental health, keep connected with YabbieOnline and other YVHC online media and mostly to stay safe.

Further updates will be provided in the coming days and weeks.

Regards

Craig Lovel

VP YVHC
